Dear Benjy:

In response to your letter of August 13, I shall be happy to meet with the Study Group on Friday, September 24th. I shall look forward to studying the material and participating in the usual interesting discussion.

I have just taken my fifteen days of military active duty spending a week at SAC and a week at the Air Defense Command and am frankly appalled at the urgency of the straight strategic problem which confronts us. I do hope that our group can get onto this again at an early time because we really haven't tackled it for over a year now.

Sincerely,

ROBERT AMORY, JR.
